

2021 Flu Shots Frequently Asked Questions

1. Why does Northrop Grumman provide flu shots at no cost for employees?

Your health and well-being is a top priority at Northrop Grumman. Getting an annual flu shot is a quick, easy and important way you can lower your risk of becoming ill and infecting others this flu season.

2. Is Northrop Grumman providing on-site flu shots this year?

Northrop Grumman facilities or locations will be offering on-site flu shot clinics at each individual site's discretion. [Click here](#) to see if your site has selected to host an on-site clinic. Note the schedule is subject to change.

3. Do I need to register for the on-site flu clinic?

Some sites require pre-registration for a flu shot while others are walk in. Check the [schedule](#) to see what your location requires.

If registration is required, you need to first create an account on the registration site.

- Click [here](#) to access the online scheduler
- Select "Create An Account"
- Enter the Visitor Access Code NGC2021Flu
- Enter needed information
- Create Password
- Click Register

You will receive an email confirming your account. Then, you may proceed to "Onsite Flu Vaccine" to select your location and appointment time.

4. What are my options to get a free flu shot, if my site has not selected to host on-site flu shots at my Northrop Grumman facility or location this year?

You have two options to get a flu shot at no cost:

- **If you are an active Northrop Grumman employee**, print a [CVS flu shot voucher](#) and redeem it at a participating CVS Pharmacy. The voucher is valid from Sept. 1, 2021 to March 31, 2022. One voucher per employee.
- **If you are enrolled in a Northrop Grumman medical plan**, you can also get your flu shot from your health care provider or any other location that accepts insurance, including many pharmacies.

5. How do I redeem the CVS flu shot voucher?

Print the [CVS flu shot voucher](#) and bring it with you to a participating CVS Pharmacy. This includes CVS Pharmacy locations, Longs Drugs®, Navarro® and CVS Pharmacy at Target. Note that the voucher cannot be used at MinuteClinic®. Print your name where indicated on the form. Your flu shot cannot be processed if you don't bring the voucher.

6. I don't participate in a Northrop Grumman medical plan. Where can I get a flu shot at no cost?

You have two options:

- Visit a CVS Pharmacy and present the printed [CVS flu shot voucher](#). It will be paid by the company.
- Attend a Northrop Grumman facility or location flu clinic. [Click here](#) to see if your site has selected to host an on-site clinic.

7. I am enrolled in Northrop Grumman's Anthem medical plan. Where can I get a flu shot at no cost?

As an Anthem member, you have four options to get a flu shot:

- Visit a CVS Pharmacy and present the printed [CVS flu shot voucher](#)
- Visit any health care provider that participates with Anthem and present your medical ID card. Visit [Anthem.com](#) or use [Engage](#) to locate a participating provider.
- Visit one of more than 60,000 pharmacies that participate in CVS' Broad Vaccination Network and present your prescription card and a valid ID. Or, provide your date of birth and the pharmacy can look you up. Visit [Caremark.com](#) or download the CVS Caremark app to find a vaccine pharmacy in your network. It includes many national chain pharmacies.
- Attend a Northrop Grumman facility or location flu clinic. [Click here](#) to see if your site has selected to host an on-site clinic.

8. I participate in Northrop Grumman's Kaiser medical plan. Where can I get a flu shot at no cost?

As a Kaiser member, you may:

- Schedule an appointment with Kaiser at [kp.org](#) to get your flu shot
- Visit a CVS Pharmacy and use the [CVS flu shot voucher](#)
- Attend a Northrop Grumman facility or location flu clinic. [Click here](#) to see if your site has selected to host an on-site clinic.

9. Can my spouse/domestic partner and children also get a flu shot at no cost?

If your family members are covered under a Northrop Grumman medical plan, they can visit a participating pharmacy or their health care provider for a no-cost flu shot under their preventive benefit. Spouses, domestic partners and children are not eligible for the onsite flu clinics or voucher program.

10. I'm a contractor. Can I get a flu shot at no cost?

While you cannot receive a flu shot at Northrop Grumman's onsite clinics, check with your company or your benefits to see if flu shots are offered.

11. I work part-time. Can I get a flu shot at no cost?

Yes, part-time and casual employees are eligible to redeem a CVS voucher for flu shots or attend an on-site clinic. [Click here](#) to see if your site has selected to host an on-site clinic.

12. Are there any guidelines for who should or should not get a flu shot?

Click [here](#) for information from the Centers for Disease Control and Prevention (CDC) on flu shots and general guidelines.

12. What is the contact for additional questions about flu shots this year?

Email questions to myWell-being@ngc.com.
